Custom renovations & attention to detail best describe this lovingly renovated Langley Meadows home. Impressive maple cabinets with cherry stain, stained maple ceiling, pot lights, hand forged vintage Plow Table, built in cabinets & a cosy fireplace with a maple surround mantle, are just a few of the updates on the main floor. Upper hosts three good sized BDRMS & master with newly completed dream walk in closet. Both BTHRS on upper have been renovated & sure to please. Staircase & handrail are 80 year old reclaimed wood from Kerrisdale & most of the house has solid casing & crown. The garage will be the envy of many men with it's built in shelves. Roof recently replaced & private corner lot has a great patio for entertaining.
