

#301 1531 Merklin Street • White Rock

Bright and cheerful, with a lot of daylight. Great view of Mt. Baker. This top floor, 2 bedroom and 2 bathroom beautifully renovated in 2017 unit offers most comfortable and yet quiet living. You can walk everywhere - close to shops, restaurants, library, mall and bus (connecting to sky train). Walking distance to the beach. It is bright and sunny even the hallway and entrance have skylights. Most generous patio offer a perfect place for enjoying view of the mountain or sipping morning coffee/tea and in the evening a good glass of wine or great book. Very well run building with 5 year young roof. Most practical location and very fine apartment.(AGM proposing changes to allow one dog or cat, and 2 birds or fish as well as to reduce age restriction to 19+).
