Description

This bright and airy home is perfect for the young professional. The floor plan offers a large bedroom with a huge walk-in closet, and spa-like bathroom with double sinks. As well, for those who want to be able to work from home, there is a large den or office (bedroom?) which provides the flexibility you are looking for. Ground floor, with a huge deck boasting open views to the west, this home does not feel like your everyday condo. Quality finishes (quartz counters, stainless appliances), in suite laundry and top of the line amenities give you a feel of staying in a 5 star resort. A great location, close to everything, but still quiet.
